POLICE CLEARANCE:

As A Club affiliated with SwimmingSA and Swimming Australia we are bound by their Child Protection Policy. SAL believes that the welfare and protection of Children is the responsibility of each individual and organisation within the Swimming community. SAL recognises that everyone has a part to play in looking after Children with whom they are working, or come into contact and we are committed to the following principles: (a copy of the SAL Child Welfare Policy is on the SwimmingSA Website)

- The Child's welfare is the first and foremost consideration
- All Children have the right to be protected from abuse

It is our commitment to ensure that everyone associated with PAC complies with this Policy and the guiding principles of Child welfare.

Please note *****The registered parent member must be the parent who will be officiating at swimming events.*****

As parents you will come in contact with children in your roles as Officials at swim meets, and as Team Managers for the Club at all levels of competition. It is therefore a requirement as a parent member of PAC that you hold a current DCSI Working with Children Clearance.

If you **hold** a current DCSI Working with Children Clearance can you please forward a copy with this application and ensure a copy is uploaded to your swim central profile once completed.

If you **do not hold** a current DCSI Working with Children Clearance you can obtain one through SwimmingSA, at no cost, once your swim central profile is established and your membership fees are paid in full.

If you require more information or confirmation of any of the above contact Sharon McGill
